

## Sports Events & Tours

It may be just a game, but we take our sport seriously. We believe that it's not just the taking part that's important - it's the preparation and the team behind the team that counts:

EFM works with sports teams, agencies, organising committees, sports sponsors and suppliers at international sporting events to transport equipment to hotels, training grounds, stadia, venues and hospitality sites, by air, road and sea, including baggage transfers and meet and greet services for large groups.

## Brand Experience, Field Marketing & Promotions

One of the most effective ways to learn about a brand is to be drawn into it and experience it - face to face, in the flesh, live, by taste, touch, smell, sight and interaction:

EFM offers logistical support for sampling, products, giveaways, display materials & equipment required on-site at venues, shopping centres & in city centres for campaigns, road shows & events around the UK and internationally, for a wide range of marketing and experiential agencies.

## Fine Art & Exhibitions

A work of art can take years to create - it's vital to ensure its safety. EFM employs the highest possible standards and experienced staff to ensure utmost care and protection is afforded to artefacts large and small:

EFM offer the delicate transportation and handling of fragile, invaluable works of art, private collections, architectural models, touring exhibitions and custom-built stands between international galleries, museums and exhibition halls including full service on-site handling and removal and off-site storage of empty cases.

## Media & Broadcasting

Effective, timely communication is key in the media world. It's the same for us - EFM work in partnership with you, ensuring information is correctly distributed to both you and your audience:

EFM enable the movement of time-critical shipments of film rushes, camera equipment, outside broadcasting vehicles and satellite uplink equipment to film / TV documentary / news / sport locations in every corner of the world, by air, road, sea and charter aircraft, including ATA carnets and documentation.

Experience. Knowledge. Passion.

**EFM are specialists in international freighting and the logistical co-ordination, transportation and support of live events and the entertainment industry worldwide.**

Experience and innovation are the key to our success – continued growth means that we are able to provide global logistical solutions, via our key offices in the UK, USA, Germany, UAE and Australia, further enhanced by an international network of like-minded local partners in every country around the world.

We have put together this overview of our services for you to view - from Sports Tours and Events to Music and Live Shows, Fine Art to Product Launches, Media to Promotional campaigns, we present our unrivalled experience.

### Live Corporate & Public Events

The best events are the ones that stay in the memory. The ones that have been planned down to the last detail - the ones where every effort has been made. In any event you'll find EFM to be a memorable partner:

EFM ensures close liaison with production managers and event suppliers (lighting, sound, video, artists, staging, seating, special effects, backdrops and set etc) including on-site project management, co-ordination of international and local shipment movements and customs by air / road / sea and deliveries into venues.

### Music, Theatre & Entertainment

EFM is born out of live music event logistics. With over 20 years experience behind us we have the knowledge, capability and passion required to meet the demands of a first-class show:

EFM will take care of your tour planning, passenger and cargo charter aircraft, air, sea and road transport of instruments, lighting, sound, set, costumes and equipment for touring bands, theatre shows, ballet, opera, orchestras and the entertainment industry internationally.

We understand that every job is different - we'll work with you to provide exactly what you need, when and how you need it - internationally or domestically, 24 hours a day, 7 days a week, 365 days a year.

The following is a selection of the services that we offer:
